## ACTIVITIES AND IMPACT

During the challenging circumstances of the Covid-19 pandemic we managed to meet as a Provider Partnership virtually on 2<sup>nd</sup> November 2020 and 26<sup>th</sup> April 2021. Meeting of the Provider Partnership Working Group and LSENDiC Directors have also continued virtually. As a Consortium Partner with Whole School SEND we have provided a series of 4 Blogs and 5 Webinars for SENCO Career Professional Development.

We have further contributed to the work of Whole School SEND through regular participation in their Impact Steering Group.

We have provided a formal response to the 2021 National SENCO Survey.

In 2021 "Leading On Inclusion: The role of the SENCO", edited and authored by Partners, was published by Routledge.

We continue to be supported by Michele Moore, our consultant, who provides advice and guidance for current partners and those aspiring to offer the NASENCO and gain our Quality Standard.

## STAKEHOLDERS

As at 31<sup>st</sup> December 2019 there were 41 institutions registered and subscribed as Provider Partners and holding Quality Standards certification.

Formal appointment of Amrit Singh as a member of the Board of Directors was registered with Companies House on 19<sup>th</sup> November 2020.

## FINANCES

The Chair of Directors of LSENDiC continued to caretake the role of Treasurer for the majority of this year, however Amrit Singh has now assumed responsibility as Treasurer and will be reporting fully in our new financial year.

Highfield Accountants have been newly appointed this year and have filed the company accounts for 1<sup>st</sup> July 2019 to 30<sup>th</sup> June 2020 with Companies House. A brief summary is included below.
